## PEARL ISLAND CATERING

is the alliance of **Javier Figueroa-Ray**, a private chef and caterer also known as Chef with No Kitchen, and **Sober Pierre** of Pearl Island Foods, a Caribbean focused small-batch food producer.

Our respective **Caribbean** roots, and **vision** for making Caribbean cuisine more accessible, inspired a catering company serving the City of **Charlottesville** and beyond.

Our food is that secret ingredient that will **spice** up your event. We **pride** ourselves on customizing our menu to meet your needs - from intimate dinners with friends to larger events.
